DISCREET & CONVENIENT TEETH STRAIGHTENING

“Your Oral Health Is Our Priority”

COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.

Gentle Yoga

We will explore yoga poses, mindful movement, and tools for self-regulation including breathing exercises. We will learn gentle ball rolling techniques that act as a tune up for the body and bring awareness to the continuity of our fascia. Some classes will include Critical Alignment exercises to care for our spines. The intended effect of the practice is to leave feeling refreshed, calm, and ready for the rest of the day.

Three main goals of this class are adding variety to the way we move and to practice sensing and responding to our bodies with kindness. We will explore movements that resource our fascial matrix to resource ourselves.

Please bring a yoga mat, a large towel or two, and a curiosity about our amazing bodies.

A squishy apple sized ball may be used in some classes as well as a Pilates stability ball (approximately 8 to 12 inches in diameter). Please bring your own if you have one. Extras are available to borrow.

No prior yoga experience required.

June Kwak holds certifications from the Myofascial Yoga Institute of Canada (300Hr), the Yoga Studio College of Canada (RYT 200), Critical Alignment and Therapy (CAY-T Level IV), and Mindful Yin Yoga.

For more information and to register, contact June Kwak at june@regroovenating.com or 403-710-5126 (texts welcome).
