Gentle Yoga

We will explore yoga poses, mindful movement, and tools for self-regulation including breathing exercises. We will learn gentle ball rolling techniques that act as a tune up for the body and bring awareness to the continuity of our fascia. Some classes will include Critical Alignment exercises to care for our spines. The intended effect of the practice is to leave feeling refreshed, calm, and ready for the rest of the day.

The main goals of this class are adding variety to the way we move and to practice sensing and responding to our bodies with kindness. We will explore movements that resource our fascial matrix to resource ourselves.

Please bring a yoga mat, a large towel or two, and a curiosity about our amazing bodies.

A squishy apple sized ball may be used in some classes as well as a Pilates stability ball (approximately 8 to 12 inches in diameter). Please bring your own if you have one. Extras are available to borrow.

No prior yoga experience required.

June Kwak holds certifications from the Myofascial Yoga Institute of Canada (300Hr), the Yoga Studio College of Canada (RYT 200), Critical Alignment and Therapy (CAY-T Level IV), and Mindful Yin Yoga.

For more information and to register, contact June Kwak at june@regroovenating.com or 403-710-5126 (texts welcome).

Southwood Community Legacy Book Project

The Southwood Legacy Book is a community memory project. The idea is to create a printed and digital collection of stories, recipes, photographs, and local knowledge as well as stories gathered from Southwood residents past and present.

The goal is simple: to capture what makes this neighbourhood distinctly ours, in the voices of the people who live here/have lived here and create an opportunity for sharing, connection and community legacy.

We are collecting everything from written stories, recipes, photographs, art pieces, and anything else you can think of!

Happy Summer, Calgary-Acadia!

It has been a whirlwind couple of months spending quality time connecting with you and your neighbours in the community. Through the wind, rain, and hail, we celebrated Neighbour Day across the riding, supporting young entrepreneurs at their lemonade stands, channelling our creative juices into painting tiles and wood blocks, and enjoying the live music when the weather permitted. It was a blast, and I am so grateful for the community associations and all the volunteer hours spent creating events like these.

This Canada Day felt especially significant as Alberta faces a referendum on its place in confederation. I am a proud Canadian and a proud Albertan, and vast majority of constituents have told me they feel the same. Many have expressed frustration with the referendum, particularly its cost and limited return, and would rather see those dollars invested toward strengthening public education and public health care, priorities that directly support families and communities.

From the Calgary Stampede and Folkfest to parades of garage sales, summer offers countless ways to come together and celebrate our thriving communities. Our third annual Haysboro Stampede Breakfast was part of that spirit, bringing thousands of neighbours out for pancakes, connection, and conversation with the Alberta NDP Caucus.

Your voices are essential, and it is a true privilege to serve Calgary Acadia. I am here to represent you, and the perspectives you share help shape the work I do every day. As the referendum approaches, I encourage everyone to stay engaged, take the issue seriously, and make the time to get informed about what is at stake for our province and our future. Please continue to share your thoughts and perspectives with me.

Wishing you a safe and enjoyable rest of the summer.

Cheers,

Diana
