Greetings!

Now that we are approaching the official summer season let's keep our fingers crossed that we will enjoy great weather allowing us to spend more time outdoors. The community association board has been busy planning several events. This included the successful annual Community Cleanup Event which took place on Saturday, May 31 at the Westside King's Church parking lot on 69 St SW. This event was a collaborative project run by three community associations including Springbank Hill, Discovery Ridge, and Signal Hill. And of course, we could not run this event without the support and involvement of the City of Calgary who provided the waste disposal trucks on site. I do hope that you, like me, were able to take advantage of this event to clean out unwanted items from your home and garage and avoid the need to go to the landfill site.

We do have another event coming up on June 7. We are holding an adult wine and cheese fundraiser event at a local business, BKL Wines on 85 St SW. Also participating is Springbank Cheese. We do hope that this will be the first of many future adult-focused events. For this function we have a limit of 30 tickets available, and they may be sold out by the time you receive this newsletter. Regardless, you can check our website for more information. Members will have received an email with a link for ticket purchase. This is a great opportunity to enjoy a casual evening with friends and neighbours while helping our community association generate some much-needed funds for our operating budget. And it's also nice to be able to support one of our newer businesses in our community. Included in the ticket price is wine tasting as well as charcuterie boards from Springbank Cheese. Attendees will also be provided with the opportunity to purchase wines at a discounted price.

Stay tuned for additional announcements concerning Neighbour Day events later this month. And check our website at springbankhill.org to view other event plans for the summer months.

Stay safe and healthy and enjoy our community amenities!

Springbank Hill Farm Stand 2025

We are pleased to announce that Springbank Hill is once again partnering with FreshPal Farms, based in Olds, Alberta, to host a weekly farm stand. FreshPal Farms boasts a unique commercial passive solar greenhouse. Unlike traditional greenhouses, a passive solar greenhouse does not rely on solar panels, heaters, or fossil fuels for energy. Instead, it utilizes polymer plastic on its roof and south-facing wall to harness all of its required energy from the sun. The north-facing wall of the greenhouse is constructed with one-meter-thick clay, which effectively captures and stores solar heat, releasing it slowly at night. This innovative design allows FreshPal Farms to cultivate certain plants year-round.

In addition, they enrich the soil through the use of compost and manure while avoiding the use of pesticides, herbicides, or fungicides. The produce sold at the farm stand is picked ripe and brought directly to Springbank Hill, ensuring maximum freshness and quality.

FreshPal Farms will offer their famous delicious thin-skinned tomato varieties, of which they grow almost 30,000 lbs each year. Additionally, they will also have cucumbers, muskmelons, watermelons, peppers, eggplants, pole beans, squash, cabbages, broccoli, cauliflower, Bok choy, spinach, green onion, basil, and dill weed during the season. You can find FreshPal Farms' farmers market stand on Saturdays. We look forward to seeing you there!

- Date: Every Saturday. Started May 24.
- Time: 4:00 to 6:00 pm
- Location: Valleyview Church entrance (7655 26 Ave SW)

For weekly updates, be sure to follow Springbank Hill Community Association (SBHCA) and FreshPal Farms on Facebook and Instagram.

New Fit Park and Parkour Station

For anyone who has taken a walk recently or driven down Mystic Ridge Gate the past few months, you may have noticed a newer set of equipment on the corner next to the pathway system. This is a fit park specifically for parkour, where older teens and adults can practice their parkour skills. This space can also be used for certain fitness exercises involving bars or beams. We have been provided with some information on how this equipment can be used and would like to share with any residents who are interested in this area. There are two more fitness park stations planned for this area, and we will share more information on them with you once construction and development in that part of our neighbourhood is done.

Parkour Station 1: Skills

Here you can run, jump, and practice parkour! Try to combine movements to seamlessly flow through the space. This equipment is designed for play, but it is not a playground. It does not have the same certified safety requirements as a traditional playground, so use at your own risk. Check all surfaces for grip before you jump or swing and start slow. Conditions may vary depending on the season. Try some common moves described below and have fun!

Balance

Your arms can counterbalance forward momentum and help “stick” your landings. Practice upright neutral postures while navigating rails or beams to improve your balance.

Jump

Jump over a gap, up onto or over an element, or jump to enter dynamically into a new movement. Practice precision jumps by “sticking” the landing with both feet.

Cat Leap

Land feet first to absorb the force ending in a hanging position. Cling to the top edge of a wall while using your feet to brace against a vertical surface.

Bar Swing

Swing from a bar by your hands and release to cover a distance. During the release, actively push away from the bar.

Wall Climb

Climb between two points on a wall using improvised or provided hand and footholds.

Vault

To vault is a way to pass over objects between knee and chest height. Vaulting can be separated into lowline (when one hand or foot is always in contact with a surface) and highline (when there is no contact with the surface and you become briefly airborne).

Bars and beams pictured can be used for bar swings and balance, blocks on the ground can be used for jumps and vaults.

Wall pictured can be used for cat leaps, vaults, and wall climbs.

Celebrate Neighbour Day!

by The City of Calgary

Celebrate Neighbour Day in your community on Saturday, June 21! Get involved in this year's event by gathering with your neighbours for a block party or community event. In addition to the many neighbourhood events taking place across the city on June 21, Sport Calgary's All Sport One Day will also give children a free opportunity to try a new sport, while collecting donations of used sports equipment.

Neighbour Day is our city's annual celebration of community spirit and connection. Held on the third Saturday in June, Neighbour Day is a step toward creating welcoming and inclusive communities where neighbours connect and belong every day of the year. Get to know your neighbours—whether through a friendly chat or a helping hand, small connections build stronger communities and a greater sense of belonging and wellbeing.

Show us how you're celebrating! Share your photos on social media using #YYCNeighbourDay.
