WEST SPRINGS ***COUGAR RIDGE***

What does the WSCRCA do?

- We run youth and family related programs.
- We are your voice at City Hall. Dealing with planning and development proposals, traffic, parks and recreation, and a direct voice to our local City Councillor.
- We support community initiatives and events. Community clean up, Charity Stampede Breakfast, community garden, and so much more!

Community Association Versus Residents Association

The community of West Springs/Cougar Ridge encompasses several subdivisions, some of which have a Residents or Homeowners Association. Both play an important, but different role, in the community.

COMMUNITY ASSOCIATION	RESIDENTS ASSOCIATION
✓ Membership is voluntary	✓ Membership is mandatory
✓ Represents all households in the WSCRCA boundaries	✓ Annual fees registered against property title. Fees must be paid in full prior to the sale of the home.
✓ Organizes community wide events and programs	✓ Maintains the landscaping and other amenities in the public green spaces for a specific subdivision

Check out our website, www.wscr.ca, for all that we do! Want to stay up to date and have early access to all our events and offerings? Become a member!

Become a West Springs Cougar Ridge Community Association Member
$25 per Household or $15 for Seniors

That gets you:
- Priority registration and discounts for WSCRCA run program and events.
- Support for a more vibrant community by supporting community-based initiatives.
- Members only emails.
- The right to vote at the AGM if you are a WSCR resident.

You can still become a member even if you do not live in the community!

Your Community Needs You - Become a WSCRCA Volunteer

We love bringing you great programs, events, and activities — but here's the truth: without more volunteers, some of these won't be able to happen.

We are always in need of enthusiastic volunteers like you to contribute their time and ideas to further enhance our community. Your contribution makes a huge difference!

Volunteering with WSCRCA means:

- A free household membership for one year.
- Opportunity to meet your neighbours, make new friends and give back.
- Sharing your ideas for events and programs to build a strong community.
- WSCRCA swag at select events.

Whether you have a little time or a lot, your contribution matters. Let's work together to keep our community vibrant, connected, and fun.

Thank You, West Springs Cougar Ridge!

The WSCRCA and CHPHCA co-hosted Community Cleanup and Recycling Event on May 17, 2026, was a smashing success — and made a massive positive impact for our community.

Thanks to the incredible support of residents, volunteers, sponsors, vendors, and community partners, this year's event helped divert, recycle, donate, and responsibly dispose of a significant amount of household items and waste.

In total, we collected:

- 18,325 kg of waste collected by the City of Calgary.
- More than 700 kgs of food donations for the Calgary Food Bank.
- More than $700 in cash donations for the Calgary Food Bank.
- $131.07 in bottles recycled and donated to the Christine Meikle School Council.
- 2.919 tons of electronics recycled by Shanked Computer and Electronics Recycling.
- 80 cubic yards of metal waste collected for recycling.
- More volunteer hours than we were able to keep track of!

A heartfelt thank you to everyone who came out, donated, recycled, volunteered, directed traffic, unloaded vehicles, answered questions, and helped keep the event running smoothly from start to finish.

Special thanks also go to our event sponsors, community partners, vendors, the City of Calgary, Calgary French and International School for hosting us, and the many volunteers from the West Springs Cougar Ridge Community Association and Coach Hill Patterson Heights Community Association who made this event possible.

Events like this are a wonderful reminder of what can happen when neighbours come together to care for their community, support important local causes, and keep items out of the landfill whenever possible.

Thank you again for making the 2026 Community Cleanup and Recycling Event such a success.

If you're inspired to make a difference in your community — big or small — visit wscr.ca to learn how you can get involved.

Your community needs you!

RECIPE

Grilled Greek Lemon Potato Salad

Ingredients

- 3 lbs creamer potatoes
- Kosher salt
- 8 tbsp extra-virgin olive oil, divided
- 3 tbsp fresh lemon juice
- 6 oz feta, crumbled, divided
- 1/4 cup finely chopped fresh dill

Directions:

1. In a large pot, cover potatoes with cold water; generously season with salt. Bring to a boil and cook for about 15 to 20 minutes, or until a knife pierces through with little resistance. Drain and let cool slightly.
2. Transfer potatoes to a cutting board. Slice in half lengthwise, then transfer to a medium bowl. Add 3 tbsp of oil and toss to coat.
3. Prepare a grill. Preheat for 5 minutes (or heat a grill pan over medium-high heat). Grill potatoes cut side down, undisturbed, until char marks form, 5 to 7 minutes.
4. In a large bowl, whisk lemon juice, 4 oz of feta, 1 tsp salt, and 5 tbsp of oil until combined. Stir in dill. Add potatoes and toss to combine. Top with remaining 2 oz of feta.

Word of the month

Zephyr: noun (zeh-fur)
A light, gentle, or mild breeze. During the summer months, we may experience a gentle zephyr blowing in.

Watering Days

Outdoor water use is one of the largest drivers of peak water demand in Calgary. On hot summer days, water demand can be up to 40 percent higher than a typical winter day.

This surge puts pressure on treatment plants, pipes, storage reservoirs, and pumping systems at a time when river flows are lower.

A permanent lawn and landscape watering schedule helps spread water use more evenly across the week, reduce stress during peak demand periods, and optimizes how existing water infrastructure is used.

The following activities are always allowed:

- Letting your kids run through the sprinkler,
- Filling up pools, hot tubs, and fountains,
- Washing windows and pressure washing decks, fences and siding,
- Watering plants with watering can or with a hose and spring-loaded nozzle,
- Watering food gardens,
- Watering newly planted trees, shrubs, sod, and seed.

Your Watering Days: Last digit of Address
Watering days for:

- Even street addresses (ending in 0,2,4,6,8) Tuesday, Thursday, Saturday 12:00 am to 10:00 am, and 7:00 to 11:59 pm.
- Odd street address (ending in 1,3,5,7,9) Wednesday, Friday, Sunday 12:00 am to 10:00 am, and 7:00 to 11:59 pm.

Apartments, condos, townhomes, office buildings, and other properties with multiple addresses should use their building's street address, not their unit number.

Attached home complexes where each house has a unique street address but shares an irrigation system should select their watering days based on the lowest number in the complex.

The Prairie Bluebell

by H.N Wells

Campanula rotundifolia, also known as the bellflower or harebell, is a native wildflower that blooms in mid-summer to early autumn. This plant may also be referred to as *Campanula alaskana*, although there are debates as to whether the two plants are different at all. It was originally classified as *Campanula rotundifolia var. alaskana* by Asa Gray in 1886 but was later designated as an individual species by William Wright in 1918. In truth, the primary difference between *Campanula rotundifolia* and *Campanula alaskana* relates to their respective growth regions, rather than physical characteristics. As can be inferred from its taxonomic name, *Campanula alaskana* is strongly associated with North America, while *Campanula rotundifolia* may refer to both the North American plant and its Eurasian counterpart. However, as far as that debate is concerned, I'll leave it up to the botanists.

The plant can be found in most regions within the Northern Hemisphere, including North America, Europe, and northern Asia. Historic uses of the flower include herbal remedies such as teas or poultices for a myriad of illnesses, namely respiratory issues, earaches, and sore eyes. The roots of the plant may be crushed for use on minor wounds and abrasions. Further, the petals can be used to create blue dye.

As a native plant species, the bellflower is increasingly important to our prairie ecosystem and is the (nearly) exclusive pollen source for the oligolectic Little Black Sweat Bee, or *Dufourea maura*. The flower can be found in most wild spaces, including Nose Hill Park, Fish Creek Park, the Nose Creek River Valley, and other localized green spaces. Further information on native plants, including *Campanula rotundifolia,* can be found through the City of Calgary's YardSmart program.

Alberta Separation Referendum

As Albertans prepare to vote in the upcoming referendum on Alberta's future within Canada, I believe it is important to clearly state my position: I support Alberta remaining in Canada.

Like many Albertans, I recognize the legitimate frustrations that have fuelled support for separation. Concerns about equalization, unfair representation in Parliament, excessive federal regulation, and a perceived lack of respect for Alberta are real and deserve attention. Alberta has contributed significantly to Canada's prosperity and Albertans rightly expect acknowledgement and fair treatment in return.

However, I do not believe separation is the solution.

As a landlocked province, Alberta relies on access through other jurisdictions to reach global markets. Independence would not automatically solve challenges around pipelines and tidewater access. Instead, Alberta would need to negotiate with Canada as a separate country, likely weakening our position and creating new barriers for trade and energy exports.

Claims that separation would dramatically reduce taxes are also uncertain. While federal taxes would no longer be paid to Ottawa, Alberta would assume major new responsibilities, including national defence, border security, tax collection and foreign relations. These costs, combined with the loss of economies of scale, could offset many anticipated savings.

There is also significant uncertainty regarding Alberta's future relationship with the United States and the broader international community. Such risks should not be dismissed lightly.

Importantly, Alberta already enjoys substantial autonomy within Confederation. Successive provincial governments have demonstrated the ability to challenge federal policies and defend Alberta's interests while remaining part of Canada.

Canada is not perfect, but it remains one of the most stable, prosperous, and respected countries in the world. Rather than abandoning Confederation, we should continue working to address Alberta's legitimate concerns and build a stronger future together. I firmly believe Alberta's best days remain ahead, as part of Canada.

For my full statement visit davidmckenziemp.ca/alberta-separation-referendum/.
