## Woodborough Park

During the month of May, Woodborough Park has been tagged several times with graffiti, vandalism has increased, and so has harassment of residents that are using our popular park. Garbage is left on site. Trees are destroyed. The roof of our storage shed is a popular hangout. These little acts of disrespect add up to a major trashing of our community facilities. It is costly and can be dangerous. CPS is aware of these issues, so if you see something, please call the police and let them know.

The Association would like to ensure everyone enjoys these recreation facilities throughout the summer, so please provide your feedback if you see any maintenance needed or other issues that occur, as our goal is to ensure a safe and considerate environment for yourselves and our neighbours.

Continue to:

- Use the garbage bins for any items you do not require.
- Keep driveways, bike path, and mailbox free and clear when parking.
- Please respect operational hours of Woodborough Park (8:00 am to 10:00 pm).

## EXECUTIVE MESSAGE

Hello Woodcreek!

Summer is here, time to be outside and enjoying it. Our Stampede breakfast is July 8, first come first served, till the food runs out. Hope to see you all there.

You may notice a new face around our facilities over the summer. Last year's summer student experience was a good one, so we applied for and got a grant. Say hello to Eric if you happen to see him working. Our Board of Directors does not meet over the summer, but our office staff will be working hard to support the various events and programs. The next board meeting is September 12.

We are planning some lighting upgrades to our facilities over the summer, though we don't have specific timing yet. This may mean making some short-term adjustments to room rentals, or closing off some areas while the crews are working. We ask for your understanding as this happens.

Our tennis and pickleball courts, the basketball courts, and the skate park on Woodborough Road make up a popular facility. However, we've been experiencing increasing vandalism there, such as graffiti and property damage. This costs money to remediate, and that's money that can't be spent on other programs or events. We ask that our facilities be treated with respect and that any damage be reported right away. There are reports that some park users have been experiencing harassment or bullying. The police are aware of our concerns; please call them if you see any incidents. This helps us build a case for increased patrols.

In that same area, we have been asking the City to install a crosswalk between the bike path and the sidewalk, right on the corner of Woodborough Road. The City offered to install bump outs instead. As I write this, they look a little bare, but we are planning to decorate that area. If you're interested in contributing, please contact our office.

## Good Food Box

A note from The Community Kitchen Program of Calgary:

“As you know the Good that Food Box Program has been obtaining and supplying the very best possible produce at the best possible prices. We will always be relentless in providing you with the best product we can, and we are focused in that effort. We are committed in serving you. However, in spite of our best efforts to keep the prices of the Good Food Boxes down, the price of fresh produce has continued to rise. This has been a problem since before COVID and the continuing cost for fresh produce has not gone down. We have until now, managed to refrain from raising the price of the Good Food Boxes while we have been continually absorbing the price increases since January 2016, that is over seven years of continually rising prices, sometime quite dramatically. However, we are now at a place in time where we cannot continue to absorb these price increases without a little help. So, we are going to implement a modest raise in price of the boxes of an additional \$5 per box, this will mean the new boxes will be:

Small: \$30  
Medium: \$35  
Large: \$40

Hopefully, this ensures that we can continue to serve you the best possible produce at the best possible price. Please note that these new prices will be going into effect on August 1, 2023.”

Next order deadline is August 14, 2023.
