Webster Dictionary

You come across a word you don't recognize, and you want to know what it means; what do you do? Well, you look it up in the dictionary of course! This was much easier to do starting April 14, 1828, because this was when seventy-year-old Noah Webster copyrighted the first Webster Dictionary.

Woodcreek Community Association Urban Forestry Initiative

The Woodcreek Community Association is working with the City of Calgary Urban Forestry Department to improve the tree canopy in our community. Trees provide environmental and health benefits. They help purify the air we breathe, reduce the amount of carbon dioxide in the atmosphere, provide shade and cooling during hot summer months, and provide habitat for wildlife.

Trees help to create a sense of pride and ownership in our neighbourhood and can improve property values.

The goal of the Tree Planting Initiative is to improve the tree canopy in the communities within the Woodcreek Community Association. This can be achieved by planting trees along streets and boulevards where none exist today, replacing trees lost to damage or disease, and adding new trees to bike paths, parks, and open spaces.

The project does not include planting trees on private property but would include support to tree planting on private property if government or business programs are available to improve the Woodcreek community.

This project is led by David Varga. You will hear more as the project progresses. If you have any comments on tree planting or areas in need of trees in our community, send a note to Dave at wca@woodcreekcommunity.ca.

EXECUTIVE MESSAGE

The weather has been teasing us, but spring is coming. Really.

While there are no events scheduled for April, we are having our Pantry Grand

Opening on May 4 from 1:00 to 3:00 pm. This is a big event, being the culmination of a large grant from the United Way Community Services Recovery Fund. The pantry has been quite successful, and a huge round of applause is due to Naomi Burkinshaw and her team of volunteers, as well as our office staff. We have invited several dignitaries to attend. Join us and support the pantry.

The deadline for ordering April Good Food Boxes is Monday, April 8 at 4:00 pm. Thank you to the many residents who have been purchasing a GFB and donating it to the pantry.

The executives and staff have been working with the city to plan out our spending over the next several years to keep our facilities in top condition, and to take advantage of the various grants available to us. There will be some updates to our hall in 2024, and any major work happening during the summer of 2025.

Save the date. Our spring Community Cleanup event is scheduled for Saturday, May 25. We'll publish further information on our website and in our e-newsletters. This is a popular event for us, with cars lined up to the corner. Our volunteers work extremely hard to ensure people can get in and drop off their stuff safely.

The Greatest Detective?

Arthur Conan Doyle created the fictional detective character named Sherlock Holmes in 1887. Out of all the characters ever played in movies and TV, Sherlock Holmes is the most-played human character. Does this make him the greatest detective ever?

Woodcreek on Wheels

Planning has begun for our first “Woodcreek on Wheels” Show and Shine to be held on Saturday, June 15 from 11:00 am to 2:00 pm.

In support of this community event, we are looking for community members who have vintage, rare, or unusual vehicles (cars, trucks, boats, trikes, bikes) that you would like to show off and share your knowledge of. Vehicles will be showcased in the community hall parking lot where there are roughly 22 stalls for vehicles, anticipating room between for walk through. To ensure success, a nominal participation fee of \$10 has been set for all ‘show’ vehicles. Registration and payment can be made online at www.woodcreekcommunity.ca under ‘Event Registration’, or by contacting the WCA office.

Decorated wheels apply to all age groups. Please ride on over with your decorated bicycle, stroller, or wagon.

Street parking for attendees will be limited.

If you have experience with Show and Shines, we would be delighted to have your support and insight on making this event a memorable success.

There will be a prize draw for all participants. Local businesses who would like to donate prizes or sponsor the event, please contact the office at wca@woodcreekcommunity.ca. It will be greatly appreciated.

For questions and for volunteer opportunities, please contact Ruth at Ruthhepburn05@gmail.com, Dianna at adamsdianna825@gmail.com or 403-804-9379, or the WCA office.

Fish Creek

by Garth Paul Ukrainetz, Poet of the Blackmud Creek

Yes, Mother Nature loves to fish
She’s casting through the cityscape
From shallow creek she sets her line
With hope to tug upon our hearts

Metropolis of hustle bustle
Calgary loves the breaking news
If lure appeals to concrete jungle
Perhaps she’ll get a nibble soon

Sweet chickadees in aspen trees
Chatting with the babbling brook
Big balsam poplars share the trails
So fresh of air you’ll soon be hooked

Caught upon reposeful beauty
Released of worry, stress, and fear
She’s fishing for Calgarians
Catching and releasing here

April Fools

Although the origins of April Fools’ Day are a bit murky, some historians believe it originated in the 16th century when France changed from the Julian to Gregorian calendar. Julian calendar New Years began in April, folks clinging to the old date got teased as they celebrated New Years on April 1 instead of January 1.

Rezoning For Housing – Have Your Say

A public hearing date has been set for April 22, 2024, when City of Calgary Administration will present a recommended approach to citywide rezoning to Council. The public may attend the public hearing in person or submit written input. Learn more about participating in public hearings at calgary.ca/publichearing.

Do you have issues, concerns, or positive feedback you would like to share? Submissions will be reviewed by the project team, and a What We Heard Report summarizing input will be submitted to Council for their consideration at the Public Hearing of Council on April 22, 2024. Online feedback will be accepted through April 11, 2024. You can also write directly to Council using the public submission form.

Resources and frequently asked questions can be found at <https://www.calgary.ca/planning/projects/rezoning-for-housing.html#resources>.

Springtime Reminders for Pet Owners

Residents are reminded that all dogs are required to be on a leash and under the owner's control when leaving their property. There are more outdoor activities happening at the Woodcreek Community Association, our facilities at Woodborough Park, and City of Calgary fields adjacent to our properties. WCA facilities and adjacent City of Calgary properties are not designated as off-leash areas. Be a good neighbour and leash your dog. Not everyone is comfortable with dogs and it's not polite for your dog to run up to other dogs or people uninvited. Please be courteous - pick up after your pet and throw it away. This refers to poop left on public and private properties.

If you have any questions, or want to report an animal control bylaw complaint, contact 3-1-1.

Ham and Pineapple Bake

by Jennifer Puri

Cheap and easy to prepare eggs are an inexpensive source of high-quality protein. Eating enough protein can help with weight loss, increase muscle mass, optimize bone health, and lower blood pressure.

A whole egg contains a tiny bit of every nutrient you need and there are many ways to prepare eggs but poaching or boiling them preserves most of their nutritional benefits.

Tasty and filling, eggs have been popular for thousands of years and in many cultures, eggs are a symbol of new life, fertility, and rebirth.

Eggs are a breakfast mainstay and frittatas, quiches, burritos, quesadillas, devilled, pickled, or creamed eggs are just some of the delicious ways to consume eggs.

This Ham and Pineapple Bake can be enjoyed any time of the day and pairs well with a side of fingerling potatoes and a tossed salad.

Prep Time: 20 minutes

Cook Time: 45 minutes

Servings: 4

Ingredients:

- 1 small loaf of French bread
- 4 tbsps butter
- ½ lb cooked ham cut into small pieces
- 1 cup shredded cheddar cheese
- ¾ cup drained pineapple bits
- 4 eggs
- 2 ¼ cups milk
- 1 tsp ground mustard
- ½ tsp salt
- ½ tsp black pepper
- 1 tbsp chopped chives

Directions:

1. Butter a medium size glass baking dish. Slice the French bread and then spread butter on one side of each slice.
2. Next slice the bread into one-inch cubes and place in baking dish. Spread the ham cubes and pineapple bits on top of the bread and sprinkle with cheddar cheese.
3. In a mixing bowl, beat the eggs and then blend in the mustard, salt, pepper, milk, and chives. Pour the mixture evenly over the bread mixture. Cover tightly with saran wrap and refrigerate overnight.
4. The next day preheat oven to 350 degrees Fahrenheit.
5. Remove baking dish from refrigerator and place on middle rack of oven. Bake uncovered for 45 minutes or until puffed and golden in colour. A knife inserted in the centre should come out clean. Serve immediately.

Bicycle Helmet Safety

by Alberta Health Services EMS

Head injuries are the leading cause of serious injury and death to kids on wheels*. Most injuries occur when a cyclist suffers a fall, strikes a stationary object, or collides with another cyclist/pedestrian. Remember – it's the law in Alberta that cyclists under the age of 18 must wear a helmet (and highly recommended for all ages). Helmets should be CSA approved and worn during recreational activities such as skateboarding, in-line skating, and cycling.

Getting Informed

- Wearing a helmet while cycling can prevent a serious injury, or even save a life
- Brain injuries can cause permanent disability or death
- Reduce your risk by always wearing your helmet
- Replace any helmet that has been involved in a crash, even if it appears undamaged

Getting Started

- Allow children to assist when buying their helmet. Cyclists who choose their own helmet are more likely to wear them

- Start the habit early. Young children learning to ride tricycles need to wear helmets
- Parents must lead by example – always wear a helmet when cycling

Getting the Right Fit

- Take the time to properly fit and adjust your helmet to ensure maximum protection in case of a crash
- When worn properly, helmets should fit level, not tilted up, or down over the forehead
- Helmets should feel snug, but not too tight. To test the fit, the helmet should not fall off when you shake your head from side-to-side while the straps are unfastened
- Adjust the chin straps to form a "Y" below and slightly forward from the ears
- Only one finger should be able to fit under the chin strap when it is fastened
- Do not forget to use the sizing pads included with the helmet. They will help improve the overall fit, comfort, and safety.

YOUR CITY OF CALGARY

Make Every Drop Count: Collect and Reuse Water with a Rain Barrel

by The City of Calgary

Our region is in a drought, and that's why now, more than ever, every drop counts. With another dry summer expected this year, we all need to do our part to conserve water and use it wisely.

A rain barrel is a great way to capture and reuse any rainwater Mother Nature provides this season. You can use what you collect to water your trees, lawn, and garden – even when outdoor water restrictions are in place.

TO INFINITY AND BEYOND

In the Toy Story series, Woody's cosmic companion was initially dubbed Lunar Larry, but producers deemed it too silly. Inspired by Apollo 11's Buzz Aldrin, they rechristened him Buzz Lightyear. Thus, from the ashes of Lunar Larry emerged a galactic icon, proving that even toys can reach for the stars – and beyond!

All About Calgary Wildlife

Thursday, April 11 from 7:00 to 8:30 pm

Presented by Beki Hunt, Executive Director, Calgary Wildlife

Fish Creek Environmental Learning Centre, Shannon Terrace, Fish Creek Provincial Park

Geared towards young adults and adults, the All About Calgary Wildlife presentation takes you behind the scenes at Calgary Wildlife. Learn about our history, our programs, who we treat, how you can live in harmony with urban wildlife, and some of our rehabilitation case studies. Beki Hunt is Calgary Wildlife's executive director and has been in the role for two years. Prior to that, Beki was the Deputy Director (and co-founder) of the Taiwan Society of the Prevention of Cruelty to Animals in Taipei, Taiwan. Beki's love and respect for animals has been a constant thread in her life since she was a child, putting her on the trajectory of working with animals in the non-profit sector.

Free for Friends members and \$10 for non-members.

Registration required. To register visit www.friendsoffishcreek.org/event/calgary-wildlife.

Good Grief – Nature Walking Through Grief and Loss

Wednesday mornings from 10:00 to 11:30 am from April 3 to May 22

This spring, the Friends are pleased to offer the Good Grief program once again. This eight-week program is aimed at providing support for those experiencing grief, loss, or a major life transition. During gentle, accessible, guided walks throughout Fish Creek, participants will have the opportunity to connect with the natural world and chat with others who are on a similar journey.

Join us! The fee is \$25 and there are only 15 spots available.

For more information or to register, visit www.friendsoffishcreek.org/programs/goodgrief.

Share Your Story with a Brick Along the Fish Creek Community Terrace

If you have been to the Bow Valley Ranch recently, you may have seen the Fish Creek Community Terrace, which consists of personalized bricks in front of the Cookhouse. We would like to thank everyone who supported Fish Creek Provincial Park by dedicating a brick along the Fish Creek Community Terrace in recent years. Every brick tells a story, and we are very grateful that so many community members are sharing their story here in Fish Creek. This unique fundraising activity provides essential support for us to continue delivering programs and events in Fish Creek Provincial Park. Consider dedicating a brick for phase four of the Terrace to be installed this summer. A brick would also make a great gift for a loved one or a good way to promote your local business. For more information, please visit www.friendsoffishcreek.org/brick.

Volunteer Opportunities

Do you have free time and want to volunteer in Fish Creek Provincial Park? The 2024 volunteer season is just around the corner, and we are looking for people to assist with various programs starting this spring. To begin volunteering, please visit our website and create an account on our online volunteer system, MyImpactPage. We look forward to working with you to bring the Friends' 2024 volunteer programs to life! For more information, please visit www.friendsoffishcreek.org/volunteering-basics.
