DISCREET & CONVENIENT TEETH STRAIGHTENING

“Your Oral Health Is Our Priority”

COMFORTABLE:

Custom-made for each individual, Invisalign aligners ensure a comfortable and snug fit, eliminating the potential for irritation or discomfort associated with traditional braces.

PREDICTABLE RESULTS:

Invisalign uses advanced digital technology to create a step-by-step plan for teeth movement, allowing individuals to visualize expected results before starting treatment for a predictable and controlled approach.

INVISIBLE APPEARANCE:

Invisalign offers a virtually invisible appearance due to its clear and transparent aligners, allowing individuals to undergo orthodontic treatment discreetly.

SHORTER TREATMENT:

In some cases, Invisalign may offer a shorter treatment duration compared to traditional braces, thanks to precise and personalized treatment plans.

REMOVABLE:

Invisalign aligners are removable, providing flexibility in eating and facilitating easier oral hygiene practices by allowing individuals to take them out for brushing and flossing.

IMPROVED ORAL HEALTH:

Being able to remove the clear aligners when necessary makes it easier to practice good oral hygiene like brushing and flossing. This can lead to a cleaner, healthier mouth and cut down on additional issues like mouth sores, cavities, bad breath, and tooth decay.

EXECUTIVE MESSAGE

Hello Woodcreek,

We've been having a wonderful fall so far. We hope you've been out enjoying it. All good things come to an end,

however. I know our ice crew has done some work to prepare for a full slate of rinks this year, if the weather cooperates.

We apologize for the late delivery of the paper *Chronicle*. This is beyond our control. Don't forget you can sign up for an e-newsletter at our community association website: <https://www.woodcreekcommunity.ca/>.

I almost don't know what events to highlight here, but it should be safe to mention our AGM on November 26. We are looking for a 2nd VP, a Police Liaison, the Casino Coordinator, and an Adult Events Coordinator. The Craft Sale is on November 2 from 9:00 am to 3:00 pm. The Good Food Box deadlines are November 11, with pickup for November 20, and then December 2 with pickup December 11.

Keith and Jen

President and 1st VP

CAMERON LAW
A LIFETIME OF EXPERIENCE

FAMILIES

Stay Steady: It's Fall Prevention Month

by Calgary and area Primary Care Networks

It's not unusual to occasionally take a tumble — uneven sidewalks, slippery conditions in the winter, or even misjudging the height of a stair are all common culprits.

As we age, falls become an increasing health concern.

"Falls are a significant health concern for seniors," says Faiza Karim, a registered occupational therapist with the Primary Care Network (PCN). "They are the leading cause of injury in older Canadians."

The Ripple Effects of a Fall

Up to one-third of seniors experience one fall per year. As the rate of falls goes up, so does the reason for concern. For people over the age of 65, falls are the source of 85% of injury-related hospitalizations, including almost all hip fractures. They are also the leading cause of injury-related deaths for seniors.

Falls can also contribute to social isolation, affecting mental health and well-being. Karim says after a fall, some people will become more afraid to move — concerned about falling again — and may not do as many activities.

Tips for Preventing Falls

Raising awareness and actively preventing falls is important to maintaining health and safety, particularly for older adults. Simple measures may include:

- Staying active to maintain balance, strength, and flexibility.
- Keeping floors clutter-free.
- Wearing supportive, well-fitting footwear, both inside and outside of your home.
- Reviewing medications with your family doctor or a pharmacist to understand side effects.

Find Support

If you or a loved one is considered at risk, or there has been an increase in the number of near-misses or falls, talk to your family doctor.

You can also access free health support through the Primary Care Network. Visit albertapcns.ca to learn more.

Accismus:

Woodcreek Community Garage Sale

Woodcreek Community Association (WCA) and the WCA Seniors held our fourth Woodcreek Community Garage Sale on September 28, 2024. Volunteers for the event included a number of the Woodcreek Seniors group and WCA members. On September 27, the community centre was opened to receive donations from the community. As in previous years, community donations completely filled the main hall, and many “outdoor” items were displayed outside the main west entrance. The sale provided bargains for customers and aided in the recycling of many reusable items.

It was a pleasure to meet a new group of Woodcreek Scouts 401 and two of their Scouters – Victoria Shearer Gryffyn and Catherine Loades. They provided the concession service with drinks, snacks, and the ever-popular pizza. When the event closed, they assisted with the packing of unsold items, loading of the Cerebral Palsy truck, and cleanup of the hall. They certainly were proficient in all their activities and readily helped with the needed tasks. Many thanks and we look forward to working with them again.

We are pleased to report that the event was well attended and produced many sales. All the sale’s proceeds go to the WCA and WCA Seniors to assist in funding activities. In short, the proceeds stay in the community! The unsold items were donated to the Cerebral Palsy organization who arrived after the sale closure for pick up of the items.

Special thanks are due to the following for their assistance and support of the Craft Sale: WCA Facility Manager Sue Larson and staff, Woodcreek Seniors,

WCA board volunteers, and the Woodcreek Scouts. A large thank you also goes to the community for their continued support, donations, and great turnout. Our 2025 Garage Sale has been tentatively scheduled for September 27, 2025.

WCA Pantry and Thanksgiving Hampers

I just want to take a moment and reflect on how amazing this community is.

We had a tight hamper budget, but were confident we could do at least Thanksgiving. Through all your donations we managed not to touch the budget, so we now know we can also do Christmas hampers. This is an amazing and generous community that I am lucky to be a part of.

We had some last-minute requests which brought the total to 25 families and 148 people. It feels great to live in a community that can come together and support our neighbours when they are going through a hard time. Kudos to you!

To the wonderful volunteers, I don't have the words to express my gratitude. You made this run as smoothly as possible, and I appreciate you so much.

And thank you to Christine Versnick and Red Crowns Pub; your organization of events that help feed the pantry/hamper fund are amazing and help us keep going.

We will be holding a Food Drive on December 4, 5, and 6 to help Stock the Pantry for Christmas. Donations can be dropped off to the WCA office between 1:00 and 4:00 pm.

Winter Is the New Spring!

With winter around the corner and outdoor gardening wrapping up, have you ever considered growing your own produce indoors year-round? Five years ago, I started growing veggies on my tower gardens, and it's been such a rewarding experience!

So, what's a tower garden? Think of it as a vertical gardening system with a twist. No soil needed! Instead, it uses aeroponics, meaning the plants grow with just water and a nutrient solution that trickles down over their roots.

It's so efficient and compact that I have 80 plants growing on three towers in my office! From greens and herbs to tomatoes and peppers, everything tastes fresh, crisp, and downright delicious. Because they're vertical, each one only takes up about a square meter. The best part? The LED lights and water pumps are on timers, so my plants grow even when I'm off on vacation!

Last winter, walking into my office felt like stepping into spring—fresh greenery, bright lights, and the soothing sound of water trickling.

Growing my own food year-round has been such a positive experience that I'm always happy to chat about it. Why not keep your gardening going this winter with a tower garden?

Let's grow something fresh!

Flatbread Pizzas

by Jennifer Puri

Flatbreads are used to create wraps and quesadillas, but the most popular use of flatbreads is pizza.

Rich in fibre, flatbreads are typically unleavened bread and do not contain yeast. Flatbreads originated in ancient Egypt but today are produced and enjoyed around the world. Some of the most popular flatbreads are focaccia, naan, tortillas, pita, oatcake, green onion cake, torta, and injera.

Flatbreads have a lower caloric and carbohydrate content due to their thinner crusts and are ideal as appetizers or light entrees as shown in the Flatbread Pizza recipes below.
