EXECUTIVE MESSAGE

Dear Woodcreek Neighbours,

November brings a season of reflection, gratitude, and community connection. As we prepare for winter, we're reminded of the warmth and generosity that make Woodcreek such a special place to live. We're excited to share a few upcoming events and opportunities to get involved in our community.

We invite you to join us for our Annual General Meeting (AGM) and Community Social on Tuesday, November 25 at 7:15 pm at the Woodcreek Community Centre. The AGM is a chance to

hear updates from the board, learn about upcoming initiatives, and discover ways to get involved. Following the meeting, we'll enjoy refreshments and conversation at our Community Social. We are currently looking for new board members—if you're interested in helping shape the future of our community, please contact the office for details. Your voice matters, and we encourage all residents to attend.

On Saturday, November 8, we'll be hosting our annual Craft Sale. This is a great opportunity to support local artisans and kick off your holiday shopping. Admission is free, and donations to the Woodcreek Community Pantry are appreciated. Doors open at 9:00 am, so come early for the best selection!

We're also excited to host a Holiday Cookie Swap and Tea Party on Saturday, November 23 from 2:00 to 4:00

pm. Bring 36 homemade cookies to swap and share and enjoy a cozy afternoon of tea and conversation with neighbours. The cost is \$5 for members, and the event will be held at the community centre.

Our Good Food Box program continues to offer fresh produce at affordable prices. Next orders are due by December 1, with pickup scheduled for December 10. Boxes can also be purchased for donation to the Woodcreek Community Pantry, helping support neighbours in need. For more information, visit woodcreekcommunity.ca.

A heartfelt thank you to everyone who donated to our Thanksgiving Hampers—thanks to your generosity, we were able to support 26 community families this year. We're especially grateful to Kathy Thirsk who donated turkeys, which ensured every family received a full holiday meal. We're pleased to share that we will be offering the hampers again for Christmas, and details will be available soon.

We also extend our sincere thanks to all the volunteers who helped make our Halloween Party and Food Drive a success. Your time, energy, and enthusiasm continue to make Woodcreek a welcoming and vibrant place for everyone.

We look forward to seeing you at the AGM, Cookie Swap, and other November events. Let's continue to build a connected, caring, and engaged community together.

Warm regards,

Keith and Jen

President and 1st Vice-President

Woodcreek Community Association

Doggy Inspiration

Did you know that Chewbacca from Star Wars was inspired by George Lucas' dog! His loyal Alaskan Malamute, Indiana, not only shaped Chewie but also gave his name to another icon - Indiana Jones. Proof that man's best friend can also be Hollywood's best muse!

Green Cart Collection Update

by the City of Calgary

Starting in November, green cart collection will shift to an every-other-week schedule. This seasonal change helps match service to the lower volumes of yard waste we typically see once colder weather arrives.

Weekly green cart collection will return in April 2026, just in time for spring clean-up season when yard waste begins to pick up again.

We understand Calgary's weather can be unpredictable, and to keep the Green Cart program reliable and cost-effective, we set the schedule using long-term trends. This means collection times are based on when green cart volumes usually decline and when snowier conditions are more likely. By planning well in advance, the City ensures the right number of trucks, drivers, and resources are in place to keep the program running smoothly.

There are a few easy ways to stay on top of your collection days and keep things simple:

- Visit calgary.ca/cartschedule to check your cart pickup schedule or sign up for free reminders.
- Download the Calgary Garbage Day app to get automatic notifications about collection days and seasonal changes.

Thank you for helping keep Calgary clean and green, no matter the season!

GAMES & PUZZLES

Guess the 2000s Movie!

1. This parody pokes fun at films like *Scream*, *I Know What You Did Last Summer*, and *The Sixth Sense*.
2. In this crime thriller, Guy Pearce plays Leonard who suffers from an untreatable form of memory loss that makes finding his wife's killer nearly impossible.
3. This legal drama involves Julia Roberts, a car accident, and a devastating legal cover-up.
4. Two cheerleading squads duel it out and uncover some shady practices going on during the national championship.
5. Bruce Willis and Samuel L. Jackson star in this sci-fi thriller that takes "survival of the fittest" to a whole new mysterious realm.
6. A handsome, young professional living in America lives two separate lives: one an urban businessman, the other a knife wielding killer.

Woodcreek Community Garage Sale

Woodcreek Community Association (WCA) and the WCA Seniors held our fifth Woodcreek Community Garage Sale on September 27, 2025. Volunteers for the event included a number of the Woodcreek Seniors group, Scouts, and WCA members. On September 26 between 4:00 and 7:00 pm, the community centre was opened to receive donations from the community. As in previous years, community donations completely filled the main hall, and many “outdoor” items were displayed outside the main west entrance. The sale provided bargains for customers and aided in the recycling of many reusable items.

As in previous years, the Woodcreek Scouts 401 provided the concession service with drinks, snacks, and the ever-popular pizza. This year, they added delicious jam preserves as part of their sales. When the event closed at 2:00 pm, they assisted with the packing of unsold items, loading of the Cerebral Palsy truck, and clean up of the hall. They certainly were proficient in all of their activities and readily pitched in to help with the needed “tasks”. Many thanks and we look forward to working with them again at the Woodcreek Craft sale on November 8, 2025.

We are pleased to report that our sale was well attended and produced many sales. All the sale’s proceeds go to the WCA and WCA Seniors to assist in funding activities. In short, the proceeds stay in the community! The unsold items were donated to the Cerebral Palsy organization who arrived after the sale closure for pick up of the items.

Special thanks are due to all of the volunteers for the sale. A large thank you also goes to the community for their continued support, donations, and great turnout. Our 2026 Garage Sale has been tentatively scheduled for September 26, 2026.

Woodbine Pianist Earns International Honour In Los Angeles: Seven-Year-Old Wins Second Place at Golden Classical Music Awards

by Silvia Fernandez

A seven-year-old pianist from Calgary's Woodbine community has won second place at the Golden Classical Music Awards in Los Angeles, performing at the iconic Walt Disney Concert Hall in late June.

Anastasia Shymko began piano lessons only two years ago, yet her dedication and love of music have already carried her to the international stage. Representing Canada, she competed in the eight-and-under category, which featured 35 participants from six countries: the United States, Canada, China, South Korea, Indonesia, and Thailand. She was one of only five Canadians to participate across all categories in 2025.

At the competition, Anastasia impressed judges with her energy and musicality, earning recognition as one of the brightest young talents in her age group. She continues her studies with her teacher, Ruslana, who describes her as a natural performer with a strong enthusiasm for music.

For her mother, Tetiana Shymko, the achievement has been both exciting and humbling. "It's incredible to see how much she has accomplished in such a short time," she said. "We are so proud of her."

While Anastasia's success is a personal milestone, it also resonates with her community. Having a young musician from Woodbine achieve recognition on an international

stage highlights the role of music in inspiring children, bringing people together, and showcasing local talent abroad.

Her second-place finish at the Golden Classical Music Awards marks just the beginning of her musical journey. Anastasia is already preparing for her next international competition, scheduled to take place in Japan in 2026, a step that promises to further expand her horizons and showcase her talent on another world stage.

From left to right: Music teacher Prof. Ruslana Mychajlyszyn, Anastasia Shymko, 7, with her second-place award and trophy and her mom, Tetiana Shymko.

GOAL! OR MAYBE NOT...

The first international soccer match was played between England and Scotland on November 30, 1872, on a cricket ground, no less! Tickets were sold for one shilling, and it is estimated that there were more than 2,500 spectators. The historic game ended scoreless, 0-0.

Raising Non-Anxious Kids

by Nancy Bergeron, R.Psych | info@nancybergeron.ca

Modern parenting has become highly involved. Many of us may hover, protect, and step in quickly to solve problems for our kids. While this comes from love, too much intervention can make it harder for children to build resilience, confidence, and coping skills. Add in the constant pull of screens and social media, and many kids grow up struggling with boredom, frustration, and independence.

A New Approach: Obstacle Parenting

Instead of removing every challenge, obstacle parenting gives kids space to face small struggles and learn from them. It's about doing less, not more, and trusting that kids can figure things out.

1. Resilience Comes Through Struggle

- Shielding kids from every difficulty robs them of practice in handling life's challenges.
- Small frustrations (like a tricky puzzle or waiting a few minutes for help) build patience and problem-solving skills.

2. Boredom Isn't Bad

- Constant stimulation from screens can dull curiosity.
- Letting kids experience boredom creates space for imagination, creativity, and self-discovery.

3. Screens and Social Media

- Technology isn't going away, but heavy use can lead to loneliness and anxiety.
- Balance matters: limiting screen time, teaching mindful use, and modelling healthy habits are key.

4. Parents Need Restraint Too

- Kids notice when adults are glued to their phones.
- Modelling presence—reading, drawing, or simply sitting quietly—teaches kids that life doesn't have to be constantly filled with screens.

Practical Tips for Parents

- **Pause Before Helping:** If your child asks for help, wait a few minutes. Encourage them to try first.
- **Make Things Just a Bit Harder:** Give challenges that require effort—like board games, chores, or puzzles.
- **Encourage Real-World Play:** Let kids play outside, climb, build, and explore with peers—even if it's messy or imperfect.

- **Embrace Boredom:** Remind kids (and yourself): "It's okay to be bored." Often, creativity follows.
- **Create Screen-Free Zones:** Mealtimes, bedtime routines, and family outings can be tech-free moments.
- **Model Healthy Habits:** Put your own phone down. Show your kids how to be present, curious, and engaged in the real world.
- **Build Community:** Rely on neighbours, friends, and extended family. Kids need more than just parents—they thrive with a wider circle of support.

Obstacle parenting isn't about making life hard for children. It's about giving them space to:

- Build confidence.
- Develop focus and endurance.
- Learn how to handle frustration.
- Discover creativity in boredom.
- Grow into resilient, less anxious adults.

Sometimes, the best gift we can give our kids is to step back, let them struggle a little, and trust that they can rise to the challenge.

Yielding to Emergency Vehicles

by Alberta Health Services

For everyone's safety, it is important motorists understand how to correctly yield right-of-way to emergency vehicles when their lights and sirens are activated. You can help all first responders navigate roads quickly and safely by following these basic rules.

When an emergency vehicle approaches with lights and siren activated:

- If you're in the middle of an intersection when an emergency vehicle approaches with lights and siren activated, safely clear the intersection; be prepared to pull over.
- On a one- or two-lane road, motorists should move to the right side of the road, slow down, and then stop, remaining parallel with the road. Remember to signal.
- On one-way streets move to the nearest curb, either the right or left.
- On a road with three or more lanes, motorists should move to the nearest side of the road and stop. If driving in the centre lane, move to the right side of the road and stop. Remember to signal.
- Come to a complete stop and wait for the emergency vehicle to pass. Shoulder check for more emergency vehicles before re-entering traffic flow. Remember to signal.

- Emergency vehicles might use any available road space to maneuver. This could include shoulders or turning lanes, etc., in order to safely pass other traffic.

When operating a vehicle:

- Reduce speed to 60 km/h or the posted speed, whichever is lower, when passing any stopped roadside vehicle with flashing lights activated (emergency vehicles, tow trucks, maintenance trucks, etc.). This law applies to the lane immediately next to the stopped vehicle. If you're not in the lane next to the stopped vehicles, it is recommended to reduce speed and leave lots of space between yourself and emergency personnel.
- Do not break the rules of the road in order to give right of way to an emergency vehicle. This could include proceeding through a red light or making an illegal turn. Actions such as these jeopardize all motorists in the area.
- Drivers must place their full attention on the road and the safe operation of their vehicle at all times. The fine for distracted driving in Alberta is \$300 and three demerit points.
- Do not drive within 150 meters of an emergency vehicle with its siren and/or flashing lights on. For reference, 150 m is nearly 1.5 times the length of a football field.

Stuffed Red and Yellow Bell Peppers

by Jennifer Puri

Red bell peppers belong to the capsicum family. All bell peppers start out green and progress through the yellow and orange stages before reaching their most flavourful red stage.

Red bell peppers are considered the healthiest because they contain high levels of vitamins like C and A, and antioxidants. All bell peppers offer nutritional benefits but the red, yellow, and orange are the most flavourful.

Bell peppers can be used in every aspect of cooking, but the hollow insides of the peppers make them ideal for stuffing with ground meats, cheeses, and grains as shown in the stuffed red and yellow bell peppers recipe below.

Prep Time: 10 minutes

Cook Time: 25 minutes

Bake Time: 35 minutes

Servings: 4

Ingredients:

- 4 red and yellow bell peppers
- 1 lb. lean ground beef
- 2 tbsp. olive or canola oil
- 1 tsp. minced garlic
- ½ cup chopped yellow onion
- 1 tsp. minced ginger
- 2 bay leaves
- 1 cinnamon stick
- ¼ tsp. ground cloves
- ½ tsp. salt
- ½ tsp. black pepper
- 2 cups cooked long grain rice
- 2 cups shredded mozzarella or cheddar cheese

Directions:

1. Preheat oven to 425 degrees Fahrenheit.
2. Wash and dry the bell peppers, then slice in half and remove the pith and seeds.
3. Brush the bell peppers with a little oil and sprinkle some salt and black pepper. Place the peppers cut side up on a baking tray and roast in the oven for about 10 minutes.

3. While the peppers are baking, prepare the filling by heating the remaining oil in a skillet. Then add onions and sauté for a few minutes until softened.
4. Next add the garlic, ginger, bay leaves, cloves, cinnamon stick, and the ground beef. Sauté the mixture until the beef turns brown then add a cup of water, cover and cook for about 12 to 15 minutes or until the beef is cooked and the liquid dries up.
5. Remove from heat and discard the bay leaves and cinnamon stick before adding the cooked rice and half the cheese.
6. Arrange roasted bell pepper halves in a baking dish and spoon the beef and rice mixture into them. Bake on middle rack of oven for about 20 minutes then sprinkle remaining cheese and bake peppers uncovered for about 5 minutes or until cheese is melted.
7. Serve with mashed potatoes, garlic bread, or cornbread if desired.
